Calley Webb Nambas Tennis Player

Calley is going to Nepal!

This November, Calley Webb (club member who many of you will have seen representing our club in fixtures and at recent clinics), will be trekking in Nepal with ~20 of her work colleagues from across Australia, NZ Hong Kong. She will complete 12 arduous days of trekking in the Himalayas. Her hard work will raise funds for the World Youth International School in Gokarna, Nepal.

Calley's personal fundraising goal is \$6500. As she is the only Sunshine Coast representative, please get behind her and show everyone what a wonderful supportive community we are on the Sunny Coast.

Calley is currently hard at work fundraising and training for the physical challenge of long days trekking at altitude.

How can you donate?

Calley would appreciate donations of any amount big or small via <https://worldyouth.org.au/fundraising/calley-webb> . Donations made in Australia are tax deductible.

How will your donation be used?

The WYI School, in Gokarna, Nepal, currently provides schooling for 500 students up to year 10. The funds being raised will specifically be used to help extend the school by constructing and fitting out a boarding home for new students in years 11 and 12.

The boarding home will be a game changer. For the first time, students in years 11 and 12 will be able to live on campus and continue their education beyond year 10. Not only will this help existing students to improve their prospects, but new students who may otherwise live too far away for daily travel will now be able to access schooling.

Thank you for your support towards this wonderful cause. The website again is <https://worldyouth.org.au/fundraising/calley-webb>

Tennis Clinic

What a great eight weeks so far, we have been fortunate to be able to hold our coaching clinic each week over the past 8 weeks. Weather was on our side, either sunny or overcast with few drops of rain. A few showers came along and we went under cover and we used this time to ask the coaches some questions.

This Saturday 13th April will be our last day of the clinic and will be having games of tennis. We will all be involved and be on the court with the players having a hit with them. Of course we cannot go without having the famous sausage sizzle and nibblies on our last day.

Thankyou to all involved our volunteers, coaches, Sport and Rec funding, Nick from TQ, MP Marty Hunt, all those who helped us advertise and the Nambour Community. To those who have helped and participated see you all Saturday 13th April.
