# ANNUAL GENERAL MEETING

We are a great committee, different personalities and a touch of humor. We have been fortunate to have many talented committee members helping us throughout the years. Some of our committee members are needing a break and would gladly help new committee members come on board. Meetings are once a month if able to make them. You help with decisions, input new ideas and help the club. If you wish to contribute, writing the minutes, advertising or junior tennis, we would appreciate if you could contact us.

AGM is the second Saturday of November which would be 10th November 2018.

It is a common experience that a problem difficult at night is resolved in the morning after the committee of sleep has worked on it.
