## Tennis Clinic

Nambas Tennis Clinic Membership drive Feb 16th

Collectorama Sat 02nd Feb

Monday Night Fix start 25th Feb

Kids Tennis resume Sat 26th Jan

We started our tennis clinic with a big bang. We have over 60 adults registered, 3 coaches, many volunteers and lots of tennis balls. The first week went well and groups were formed. Our shelter area is a great place for all the mingle and socialize with many having coffee and tea after the tennis.

Each volunteer helped in their own way, from welcoming committee to picking up balls. This is a fantastic way to bring new players to tennis and hopefully we will all see some new faces during our social sessions.

Don't forget next week Saturday is Collectorama and the show-grounds will be packed to the rafters. Parking will be anywhere from the school park to behind Bob Jane T-Mart.
