Before the year was out, we had confirmation of our successful grant to hold a tennis clinic. We were in talks with Community Centre to entice Migrants into tennis. We spoke with Marty Hunt local MP to help with funding with Migrants and our tennis clinic and Nambas Tennis Club was recognised again for work with Children via the Community Play program. All this was happening while we were organizing our annual break up Christmas event.

Lets make this year big. We need your help, get the word out there. Once players come to our club most stay here, however its our physical location that has people baffled. Not many know where Nambas Tennis Club is located.

Our aim this year

- Hold a 9 week tennis clinic
- Introduce Migrants into our social tennis sessions
- Work with private groups to increase play
- Increase junior tennis
- Promote our tennis club to Nambour Community
- Work with local members to increase Tennis awareness
- Work on an advertisement portfolio
- Continue to work with members and players to continue well organized social sessions

We want to hear from you. Our committee are open to suggestions or can be sent via email to

Upcoming Tennis Clinic 16th Feb to 13th Apr

We have great news. We have been granted funding to help run a tennis clinic. We have done these clinics in the past and is a great way to introduce potential members and tennis players to our club.

This would not be possible with funding from QLD Government -
Get Going Clubs

We will be conducting this clinic from

Saturday 16th Feb 2019 to Sat 13th April 2019

Time: 9am to 11am each Saturday

We may ask several members to help out during this clinic. Helping tennis coaches, help in tennis play on court four, help with encouraging new players to join our open tennis social days, help with cleaning courts, picking up balls,

PLEASE NOTE: No courts will be available during clinic hours from 9am to 11am each Saturday 16th Feb to 13th April. Junior Tennis will be moved to 8am during this time.

I appreciate your patience and help during this period.

A Day Out

We had several groups going to BI this year. It's a great day out, whether or not you go with friends or individually. The chance to see tennis greats up close, see how they play, see them practice, see new talent and just enjoy the great atmosphere. Here are some pictures taken, including some tennis greats. Thanks Joy and Steve who took some pictures with their family. I hope all who went to BI enjoyed themselves.

FIXTURES JUST AROUND THE CORNER

GET READY FOR FIXTURES—Are you interested?

We are trying to get a division 5 team ready for Monday night fixtures. We are in need of a few males. Division 5 is competitive on a social level, if interested even for reserve, please let me know. It would be great if we can get a team together.

For the other teams, please contact your team captain to find out when fixtures commence again
