CHARITY WEEK
09th Sep to 15th Sep

Saturday Tennis- 11am

We are getting a few more players on Saturday, with last week playing 3 courts. This is open level and great for a quick hit on the weekend. It starts at 11am and during the summer months, we will start at 10am. Teenagers welcome, we have a few of the older school kids that can hold their own and the game is very challenging. It's a great few hours of tennis.

The more players we get the better the variety of games we play.

Wednesday Night Tennis- 7pm

This is the same for Wednesday night, with the heat coming through in the coming months, why not play in the cool night air. Open level and our numbers have been increasing. If you bring a friend, or any newcomers, their first night is free.

How our teams are going

Our teams are progressing nicely. Kids Saturday morning is just about the start up again, so get your nominations in.
