Get ready for this year's AGM. This Saturday 09th Nov 2019. Our club has been very involved with the Nambour Community this year and we are looking forward working with new members and liaising with business to help promote our club. AGM is not only to look at our previous 12 months but also highlight some future goals.

We would like you to join us and talk with committee members and hear your thoughts regarding our future, your investment and what you would like to see in our club. This is your club and with us having a hands on committee, this AGM is a perfect opportunity for you to have your say,

If you are unable to attend, please email us. Tell us what you think. Can you help, do you have great ideas.

See you at the AGM

HARRY and NOELA's Rangebrook Gardens

Saturday 28th Sep, all members and friends were invited to enjoy Harry and Noela's Rangebrook Gardens. This event is held every one to two years, fundraising for the club, wealth of information for those green thumbs and a nice afternoon enjoying the company of friends. You can spend hours in the gardens and still find the unexpected surprises. At the end of the afternoon the weather changed and I am pretty sure the plants were hoping for some rain, we had the wind and thunder but unfortunately no rain. By the time I left the conversation was flowing, the food eaten, glasses clinking and new friendships being formed. It is nice to be away from the tennis courts once in a while and what a great way to spend the afternoon.

MIGRANT CLINIC

This year our committee member Wil Muller had a great idea to involve migrants into tennis. Lots of organisation later, liaising with Community Centre, promoting and talking, we got our first clinic underway. We are now doing our second clinic and Nambour Weekly, Sport and Rec and Tennis Qld are interested. Photo with some of our migrants enjoying
